MEMORANDUM FOR COMMANDER, U.S. ARMY, NORTH ATLANTIC  
TREATY ORGANIZATION, UNIT # 21420,  
APO AE 09705

SUBJECT: Letter of Commendation

First class stewardship requires a commitment to identifying, correcting and reporting weaknesses in management controls. We recently assessed the actions of Major Commands and HQDA staff agencies to implement the Army's management control process during FY 2000. A joint panel representing the Inspector General, Auditor General and this office unanimously judged that your command's management control process was exemplary.

Please accept my compliments and appreciation for the outstanding work by your command to foster effective management controls. I also want to commend your management control administrator, Ms. Cyndia Halsey, for her professional and proactive approach to enhancing your management control process. These efforts demonstrate a strong commitment to the conservation and wise use of the scarce public resources entrusted to the Army.

A handwritten signature in black ink, reading "Charles T. Hörner III", is positioned above the printed name.
